Put Them in *Order*

Write the numbers from smallest to greatest. Then circle the greatest one.

NAME _____ CLASS _____ DATE _____

REMEMBER

Compare from the highest place first – the same rule puts any list in order.

Smallest → Greatest

1 23 15 16 19 →

2 48 54 50 51 →

3 541 507 513 480 →

4 305 325 324 286 →

5 9,238 9,352 8,922 8,881 →

Make It *True*

Write a number in the empty box that makes it true.

NAME _____ CLASS _____ DATE _____

REMEMBER

Many answers can be right! Write any number that makes the sentence true.
